TOUR ITINERARY

Day 1 – Spitzkoppe to Brandberg
After meeting your crew, we leave early and make our way to the massive granite formations of Spitzkoppe, which tower 700 metres above the desert plains below. The presence of rock art indicates their significance to the San people who lived here many years ago. We will enjoy a walk with a local guide and have the opportunity to view some examples of the San’s rock art before setting off for our overnight stop for the evening.

This morning we will make the 1-hour hike to visit the painting that is said to be around 2,000 years old. (Please be advised that the hike does traverse rough terrain along the gorge of the normally dry Tsisab River). After our exploration, our journey continues to the area of Kamanjab.

Day 5 - Windhoek
It is an early rise as we take aim for Windhoek, the capital city of Namibia. Upon arrival in Windhoek, we will take a short walk through the city centre and have the opportunity to view some of its better known landmarks. (Our accommodation for the night is situated halfway between the city and the airport).
Day 6 - Botswana – Ghanzi
Today we travel east to neighbouring Botswana and the Kalahari Desert. Starkly different to the Namib Desert after which Namibia is named, the Kalahari is no less dramatic and covers over 900,000 square kilometres. The San people have long been associated with this harsh environment and tonight we enjoy a dance evening that provides an insight into their culture of song, dance and story-telling.

Day 7 – Okavango Delta
Before departing Ghanzi we will enjoy an informative guided walk with the San community. After our walk, we head towards Maun, where upon arrival in Maun this afternoon, you will have the opportunity to go on an optional scenic flight over the Delta (time and weather permitting). This evening our guide will prepare us on what to expect on our full day excursion into the Okavango Delta.

Those guests who have pre-purchased the upgrade package – will board the flight into the Delta upon arrival in Maun and will re-join the group on the morning of day 9. Please speak to your consultant for your programme of the Okavango Delta Excursion.

Day 8 - Okavango Delta Excursion
The most rewarding and enjoyable way to explore and experience the beauty and serenity of this intricate system of lily covered channels and lagoons is by mokoro. Heading out early, we will be transferred by safari vehicle to the poling station (approximately 1 hour transfer) where we will meet the polers who will be escorting us into the Delta. The polers will steer us through the serene area of narrow, reed lined channels which open out onto beautiful lagoons. Reaching one of the many islands, a nature walk may be taken with your poler. After the walk, we return by mokoro through the channels back to the poling station. While the mokoro trail is not primarily a game viewing activity, a variety of game may be spotted in this pristine wilderness area, including elephant, giraffe, kudu, impala and zebra.

Day 9 – Nata
Leaving Maun behind us this morning (and re-uniting with those that chose the upgrade package) we make our way towards the town of Nata. We will spend most of the day in our truck as we journey across the northern reaches of the Makgadikgadi Pans. Our activity package will afford us the opportunity to enjoy an afternoon guided game drive to the Nata Sanctuary, which forms the breeding ground for a host of water birds including pelicans and flamingo in their thousands.

Day 10 – Chobe National Park
We rise early this morning as we continue north to our camp on the banks of the Chobe River. This afternoon is set aside for exploring the Chobe National Park. We begin our exploration in 4x4 vehicles, which allows us an up close and personal experience with the many elephants that frequent the river in the afternoons. The afternoon ends with a leisurely boat cruise and a meal served around the campfire.
Day 11 - Zimbabwe - Victoria Falls

With the memories of our wildlife encounters firmly etched in our minds, we cross the border into Zimbabwe this morning and travel the short distance to Victoria Falls. Today you have the opportunity to visit the spectacular Victoria Falls at your leisure, also known by the local name of “Mosi-oa-Tunya” (the smoke that thunders). While much of today is dedicated to viewing the mighty Zambezi River as it drops into the Batoka Gorge below, the bustling adventure town of Victoria Falls also offers a range of optional activities for those wanting a dose of adrenaline in the afternoon. For the more relaxed traveller there are craft markets and coffee shops on offer as well.

This is an optional payment that covers what we consider to be ‘essential activities’ on our tours. Ideally we would include all of these, but not everyone can afford this. This payment is 100% transparent and is listed below. The Activity Package must be pre-booked along with your tour booking. We cannot always guarantee availability of the activities if you only book on the morning of your tour departure.

If you are travelling as a single supplement guest and have purchased the single supplement, please note that the single supplement does not cover any Activity Package items which include accommodation. Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an “average”!
