DAY 1: JOHANNESBURG TO KRUGER

After an early morning pickup from your accommodation in Johannesburg we head off to the Kruger National Park. The Kruger is located in the low veld and provides ideal conditions for wildlife to thrive. We enter the park and make our way to our rest camp. We check into our accommodation before heading out on an afternoon game drive. Note that all our game drives are conducted in open vehicles which provide excellent viewing and photographic opportunities. Returning to camp we enjoy a delicious meal. Accommodation is in permanent tents with beds and bedding provided.

Accommodation	Safari tents – shared ablutions.
Included Highlights:	Closed vehicle game drive to the rest camp on arrival at Kruger National Park Afternoon sunset open vehicle game drive
Meals	None

DAY 2: KRUGER NATIONAL PARK

Early morning wake up with tea/coffee and snack, before heading out in open 4x4 vehicles in search of Kruger's famous wildlife. Your knowledgeable guide will point out the various animals and birds and knows where to locate the best sightings. After some incredible sightings we head back to camp for lunch.

If you prefer to explore the Panoramic Route instead of going on today's game drive we can arrange this. Please ask your consultant to arrange this at booking stage as this must be pre booked. If you choose to do the Panoramic Route we will visit Gods Window, Bourke's luck potholes and if time permits Graskop.

In the late afternoon we head off for another sunset game drive to try spot the Big 5.
We arrive back at camp and enjoy another scrumptious dinner before getting a good night's rest.

An alternative to the above program is offered whereby you can enjoy a full day open vehicle game drive instead of 2 (morning and sunset drives).

Accommodation	Safari tents – shared ablutions.
Included Highlights:	1x Sunrise and 1x Sunset open vehicle game drive <u>OR</u> 1x Full day open vehicle game drive
Meals	Breakfast

DAY 3: KRUGER TO JOHANNESBURG

It's our last chance to see the animals that may have eluded us. We begin our final day with an early morning game drive or bush walk. ***(Please let your consultant know if you prefer a game drive or bush walk as this must be pre-arranged.)***
We return to the camp to enjoy breakfast before heading back to Johannesburg. We expect to arrive at Johannesburg Airport (O.R Tambo) and surrounding hotels between 5 – 6:30 pm

Included Highlights	Morning bush walk OR open vehicle game drive
Meals	Breakfast

ABOUT THE KRUGER:

Kruger National Park, in the Mpumalanga Province of South Africa, is among the world's greatest nature reserves. It is one of the few places on earth where wildlife can be seen in such great variety and at such close quarters. Some 520 bird, 114 reptile and 146 mammal species, including the fabled Big Five - elephant, rhino, lion, leopard and buffalo, densely populate the park. Although in nature there are no guarantees, in Kruger Park you stand the best chance of thrilling sightings of game. From some of Africa's largest prides of lion, to birds found nowhere else within the country's borders.

The present Kruger Park is immense, covering 19,685 km², an area almost the size of Wales or two thirds of Belgium. There are more than 3000 km of roads on which to explore the Park. Obviously in a limited time, one can do only so much, however our experience shows us which are the best roads to take at certain times of the year, ensuring you get the most of your visit to the Park. Our tour focuses mainly on the Central and Southern areas of the park, as it has the largest concentration of game.

CLIMATE:

In winter (April to September) the days are mild (average about 23° C), with sometimes cool nights (down to 6° C). In the summer the days average 30° C, but sometimes exceed 40° C, with the welcome cooling effect of afternoon thunderstorms. Rain in the summer months (October - March i.e. "rainy season") varies from about 800mm in the south, to 500mm in the northern areas.
