OPTIONAL ACTIVITIES:

We provide you with a great tour however there are always additional optional activities that you can do en route, at the various places you will find a selection of Optional Activities that can be booked on the tour you have chosen. - Your guide will also help you choose what is best for you. If you want to do an extra night drive or go white water rafting or bungee jumping -we will make sure you book this with the safest and most professional operator. Some optional activities operate concurrently so the group may have to decide as a team which optional activities they'd prefer to do. On the Pre-departure information your consultant sends you will be a lengthy list of what the locals offer in the various places we visit and spend time. These are as the name says totally optional and you do not always have to do an activity to enjoy being in an area, simply walking around the local markets or interacting with the locals is an experience with in itself.

General

All information is subject to change without prior notice, changes would always be in consideration of your safety first and a better-quality experience. This would be where we are able to make improvements, sometimes last-minute decisions due to the nature of the tour/event. Travel times and campsites can change depending on road or weather conditions, or any unforeseen circumstances. These are used as a guideline only. On our longer tours it is possible that your crew, truck and fellow travellers will change due to our unique tour linking system. Please ensure that you have received the latest version of this dossier- your consultant will send you a link to do this, we ask clients to download the latest tour dossier 1 week before your tours departure so you are up to date with any changes.

Meals

Breakfast: As breakfast is served very early in the morning (if there is driving or activities to be done) it is a simple but filling breakfast: Tea and coffee, breads and spreads, cereals, yoghurts, fruits and on occasion, when there is time for a later breakfast, guides will serve a hot breakfast of scrambled eggs, porridge, bacon or beans.

Lunch: Lunch is generally served at a picnic spot next to the road en route to a destination. As the guides only have approximately 45 minutes to get everyone off the truck, prepare lunch and then get everyone back on the truck again, lunches consist of sandwiches and salads (rice salad, pasta salad, tuna salad and green salad) which are quick and easy to prepare but which are quite filling. They do have meal plans which they should stick to, to ensure that there is variety on a day to day basis.

Dinner: This is when the guides get time to prepare a delicious meal and they focus on a substantial protein, vegetable and carbohydrate dinner. We serve traditional cuisine consisting of braais (BBQ), potjie (stew), bobotie (mince), spaghetti and fish and chicken dishes.

Most evenings are spent talking about Africa. Your tour dossier will have details of where you will be each night and the prices of meals if we are spending an evening at leisure in a city or town. After or during dinner, guides will do briefings, please use this opportunity to discuss things with them.

Special Requirements

Please confirm to us in writing if you are a vegetarian or if you suffer from any allergies (i.e nuts, milk, fish) (i.e. vegetarian), allergies (i.e. nuts, milk, fish). Where possible our guides do try and accommodate clients with intolerances (i.e. gluten, lactose), however we cannot guarantee the availability of speciality foods en-route and we therefore recommend you to bring these items with you or purchase them prior to departing on your tour.

Luggage

We advise clients to be as light as possible when travelling through Africa. It is not a destination where you want to lug suitcases and heavy bags around. Lodges rarely have suitcase ramps meaning wheels are sometimes more of a hindrance and also impact on the case fitting in the lockers. On booking the pre-departure info will have a packing guide to help you prepare, however please note hard suitcases are not suitable. Soft bags are needed to fit in the luggage lockers.

Pre-Departure Information Booklet:

Once booking has been confirmed we will send you a full and detailed pre-departure Booklet to help you prepare, below is some basic tour information.
