ITINERARY

7 Days

Zambia – Zimbabwe – South Africa

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only

DAY 1 LIVINGSTONE

This safari starts in Livingstone, Zambia at the Waterfront Resort camp, situated on the banks of the Zambezi River a few kilometres from Livingstone. It's an ideal spot to relax – have coffee on the deck watching one of Africa's great rivers glide past, or take the opportunity if you wish to enjoy the various activities and excursions typically available in the Victoria Falls area. Please plan to spend a day or so here before the tour begins. Optional activities include white water rafting, bungee jumping, abseiling, gorge swinging, canoeing and horse riding, scenic flights (by microlight, helicopter or small plane) and – a definite 'must!' – A visit to the Victoria Falls themselves. A visit to the national park is included in your tour – be sure not to miss it - at over a mile wide and some 100 metres deep the Falls at high water form the largest curtain of falling water in the world with spray visible from 20 kilometres away (hence the local name Mosi au Tunya , or 'smoke that thunders'). At low water the Zambezi dries so much that it is possible to walk out onto the river bed itself!

N.B: For the sake of practicality, meals in Livingstone/Victoria Falls area are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to back with the group mealtimes. The Waterfront camp restaurant overlooks the Zambezi River and offers a good selection of reasonably priced meals and snacks throughout the day (allow US\$15-\$30 per meal). Relax and enjoy at your own leisure. Alternatively, take a taxi into Livingstone to try local fare.

The park also has the densest population of leopard and black eagle in the world and we keep our eyes peeled high and low for these creatures. This half day tour will end after the walk and a vehicle will transfer you back to the camp for an afternoon at leisure.

Optional Full Day: The wind sculptured Matobo Hills are home to numerous Bushman paintings of which we get to visit on this optional full day tour. The hills are also home to the grave site of Cecil John Rhodes who chose this as his burial place owing to the intense natural beauty and startling views from the hills. His grave can be visited at World's View - a place of continual debate owing to his involvement in claiming the land and its people for Queen & Country in colonial times.

The Limpopo also acts as a natural boundary between South Africa and its neighbours Botswana and Zimbabwe, before it flows through Mozambique to the Indian Ocean. We continue to Tshipise, a town situated in the northern Limpopo province. Our campsite is located at Forever Resorts at the foot of one of Limpopo's rolling koppies set adjacent the Honnet Nature Reserve. There is hot springs in the area which are surrounded by dense woodland comprising of Mopani, Red Bushwillow, Jakkalsbessie trees – and the third largest Baobab tree in South Africa.

Wildlife is free to roam the whole enormous area and it has become incredibly diverse in both fauna and flora. From the dwarf mongoose to the 'Big Five', almost every major African mammal (148 species) is present. There is also prolific birdlife (over 505 species) and over 330 varieties of trees.

We spend two nights within the Kruger area, enjoy Shangaan tribal dancing and singing on our first night and take a full day game drive in the National Park itself to spot as many animals as possible the next day!

We game drive in the morning and afternoon in search for the abundance of wildlife including the 'Big 5' – Rhino, elephant, buffalo, leopard and lion together with a high density of other mammals and diverse bird species such as eagles, hornbills, vultures and bee eaters. We break during the middle of the day to enjoy the peace of the rest camp and wait out the hottest part of the day (when wildlife is usually less active). We then continue our game drive through the park exiting in the late afternoon and continue to our accommodation for the night.

TOUR STYLE:

Adventure Camping Tour

Travelling on an adventure camping tour is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the tour vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT'S INCLUDED:

All tour highlights, 2- person dome tents, fully equipped safari vehicle, camping and cooking equipment, sleeping mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT'S NOT INCLUDED: Adventure Pass Activities and Excursions (optional), visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature. NB: Lunch and dinner in Livingstone on day 1 is not included in the tour price or the Local Payment

ADVENTURE PASS:

Every adventure camping tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

Matobo National Park	✓
----------------------	---

ACTIVITIES & EXCURSIONS: These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

ACCOMMODATION:

We use 2-person dome tents with fly sheets, sewn-in ground sheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool.

TRANSPORT: 24-seater, self-contained, custom-built safari truck with on-board tables, plug sockets, freezer, water tank, library, i-pod jack, safety features and 70-litre individual lockers and 4 x 4 safari vehicles.

GAME PARK VISITS In order to maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

MONEY MATTERS

PERSONAL EXPENSES

Most spending will be in US\$ cash and South Africa Rand (for incidental expenses along the way, optional activities, most additional accommodation before/after the trip) but it's a good idea to bring along some extra US\$ cash for any international airport taxes or visas.

- **Spending money** is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2006** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.
- **Currencies** are as follows: South Africa – Rand; Zambia – Zambian Kwacha; Zimbabwe – US Dollars
- **ATM machines** are found in are found throughout Livingstone and South Africa Please note they are sometimes unreliable and only dispense local currency so therefore cannot be used to draw your Local Payment.
- **Credit cards** can be used to pay for larger optional activities although there may be a fee for their use.

We recommend you bring your spending money in several different ways (some cash, some t/cheques, some cards); your guide can best advise on what to use where.

TIPPING

As in many areas where tourism is an important contributor to the economy it has become customary to offer a small gratuity to local staff at the end of the tour if service has been of a high standard. Naturally this always remains at your discretion.
