No journey would be complete without sampling the offerings of a “Padstal” along the way. These small farm stalls offer a selection of homemade treats and bakes and are an important cog in the economies of rural towns. One of the more quirky highlights today is Ronnie’s Sex Shop, not a sex shop at all, but a rather interesting country pub!

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!
