We will arrange all accommodation along the way, at locations we have selected over the years for their cleanliness, unique setting, and atmosphere. Guests have a choice of backpackers lodges, in which dorm rooms, private rooms, and private en suite rooms are available; or guesthouses, which are all private en suite rooms. Single, double, and twin rooms are available at both the backpackers and guesthouses. All bedding and towels will be provided.

Although we frequently utilize the same accommodation every week, we cannot guarantee that we will stay at a specific location each week, due to availability and group size.

### Luggage

We have space for each passenger to have one suitcase/backpack and one “carry-on”-sized piece of luggage – a laptop bag, backpack, or similar. There are generally not porters or staff available to assist with luggage – your luggage should be of a size and weight you can comfortably manage. Hard or soft suitcases are fine. If you have more luggage than this, please contact us in advance to make alternative arrangements.

### **Meals**

Breakfasts are included on days 2-4, and typically include fruit, muesli, eggs, toast, yogurt, and cereals. Two dinners are also included, and are authentic South African meals, such as potjie (stew) and braai (barbeque). Please advise us of any special dietary requirements in advance. We are able to cater for vegetarian diets, but not strict gluten-free, lactose-free, vegan or halal diets. Lunch and drinks are on guests' own account. Dinners for all clients, including those staying at the guesthouse, take place at the backpackers on nights 1 and 3.

### **Vehicles**

The vehicles that we will be touring in are fully air-conditioned and can comfortably seat 8 adults including driver/guide or 14 adults including driver/guide. We also have a CD and MP3 player. You are welcome to bring your own music, and if it is not too terrible, we can play it! All vehicles have valid operating licenses to convey paying customers.

### **Group size**

Our groups are between 4-12 people, with most guests hailing from Europe, America, Canada, and Australia. Our average age is 33, so we host students, young professionals, parents, and the "young at heart". The tour is perfect for the solo traveler, small groups of friends, or couples, as you will have the opportunity to travel with a diverse group of people from all over the world.

### **Malaria**

Our tours take place in a malaria free area. No anti-malaria precautions are therefore necessary. You are however, advised to bring insect repellent during summer.
