ITINERARY

3 Days
South Africa

DAY 1: Johannesburg to Greater Kruger National Park

We depart Johannesburg and head for the Greater Kruger National Park where our Safari adventure begins. After travelling through the Highveld farmlands, we descend the dramatic Drakensberg Escarpment and into the Lowveld, home to some of the most pristine Private Game Reserves in South Africa and the world-renowned Kruger National Park. We arrive at Thornhill Safari Lodge in time for a delicious lunch.

After some relaxation time, we venture out on a late afternoon/evening Big five game drive in open 4x4 Safari vehicles in one of the neighboring Private Reserves. Sundowner drinks and snacks are enjoyed at one of the waterholes en route; enjoying the sights, sounds and smells of the African Bushveld before continuing our game drive into the night. After an exciting evening, we return to Thornhill to experience a traditional South African meal around the log fire.

The lodge offers comfortable accommodation in authentic thatched roof chalets. Vibrant fabrics and local hardwood furniture all create that rustic yet stylish bush atmosphere. Sit back and relax in our Bar/Lounge area or sip cocktails around the swimming pool and treetop viewing deck overlooking the majestic Drakensberg Mountain Range and a never-ending wilderness.

Accommodation: En-suite Private Rooms

Included Activities: Big 5 Open 4x4 Vehicle Game Drive in a Private Reserve open to the Kruger Park

Meals included: Lunch and Dinner

DAY 2: Kruger National Park

An early rise as you are greeted by your guide as you enjoy coffee and rusks before embarking on a day of exploration in the acclaimed Kruger National park. The Park offers an unrivalled wildlife experience that ranks with the best not only in Africa, but around the world. Its rich history dates back to 1898, and its goal has always been to protect the wildlife of the South African Lowveld. Today, this national treasure offers two million hectares of unspoiled African bushveld and captivating wildlife.

Truly the flagship of the South African National Parks, Kruger remains home to an impressive number of species ranging from 336 trees, 49 fish, 34 amphibians, 114 reptiles, 517 birds and 146 mammals. Look forward to a safari experience that unfolds from the moment you enter the Kruger Park, and explore the best game drive routes the Park has to offer.

Our game drive takes us through a landscape like no other, with an amazing variety of wildlife, birds, plants and trees. We break at a remote picnic site to enjoy a scrumptious bush brunch before continuing our Safari discovering the unspoilt and untamed wilderness that makes the Kruger Park so special. Our journey continues as we stop off at the various viewpoints and waterholes whilst game viewing and bird watching along the way.

We return to the Lodge and enjoy yet another taste of traditional African cuisine before retiring to the peaceful sounds of the African night.

ABOUT THE KRUGER:

Kruger National Park, in the Mpumalanga Province of South Africa, is among the world's greatest nature reserves. It is one of the few places on earth where wildlife can be seen in such great variety and at such close quarters. Some 520 bird, 114 reptile and 146 mammal species, including the fabled Big Five - elephant, rhino, lion, leopard and buffalo, densely populate the park. Although in nature there are no guarantees, in Kruger Park you stand the best chance of thrilling sightings of game. From some of Africa's largest prides of lion, to birds found nowhere else within the country's borders.

The present Kruger Park is immense, covering 19,685 km², an area almost the size of Wales or two thirds of Belgium. There are more than 3000 km of roads on which to explore the Park. Obviously in a limited time, one can do only so much, however our experience shows us which are the best roads to take at certain times of the year, ensuring you get the most of your visit to the Park. Our tour focuses mainly on the Central and Southern areas of the park, as it has the largest concentration of game.

CLIMATE:

In winter (April to September) the days are mild (average about 23° C), with sometimes cool nights (down to 6° C). In the summer the days average 30° C, but sometimes exceed 40° C, with the welcome cooling effect of afternoon thunderstorms. Rain in the summer months (October - March i.e. "rainy season") varies from about 800mm in the south, to 500mm in the northern areas.
