KENYA - TANZANIA

DAY 1

Nairobi

Jambo! Welcome to Kenya.

Your adventure begins with a welcome meeting at 6pm on Day 1.

You can arrive at any time as there are no activities planned until this important meeting; please ask the hotel

reception where it will take place. If your flight arrives too late, we recommend that you consider arriving a day early and book a night's accommodation prior to the trip so you are able to attend. If you are going to be late please inform the hotel reception. We'll be collecting your insurance details and next of kin information at this meeting so please ensure you have all details on hand to provide to your leader.

Nairobi - which takes its name from a Maasai phrase Enkare Nyrobi meaning 'place of cool waters' - has a cosmopolitan atmosphere. There are plenty of good bars and restaurants, while markets and shops have most things you could want or need, as well as various arts and crafts from the region.

If you arrive early, you can head out and explore the National Museum of Kenya, the Karen Blixen Museum (author of Out of Africa) or Bomas of Kenya where traditional homesteads of several Kenyan tribes are displayed in an outdoor village.

Optional Activities

National Museum - USD10
Karen Blixen museum - USD14
Bomas of Kenya - USD12
Langata Giraffe Sanctuary - KES1200
Nairobi National Park safari walk - USD30

Drive north-west past splendid views of the Great Rift Valley, Lake Naivasha and Elementaita to Lake Nakuru National Park (approximately 3–4 hours). Situated in the heart of the Great Rift Valley, Lake Nakuru National Park's small and compact area makes a great location for spotting wildlife. Along with the other members of the Big Five game, Lake Nakuru is home to rhinos, and there will be a good chance of spotting and photographing one of these magnificent beasts. Your exclusive camp, outside the park, is well situated and has flush toilets and showers. Accommodation upgrades and WiFi are not available.

Drive from Lake Nakuru to our camp near Lake Naivasha (110 km, approx 3 hrs).

One of the few freshwater lakes in the Great Rift Valley, Lake Naivasha has floating islands of papyrus reeds and a border of flat-topped acacias. It's also home to a healthy population of hippos and a tremendous variety of birds.

Our campsite is basic with showers and flush toilets. Depending on availability there is an option to upgrade to a room. WiFi is available at the bar and there is an opportunity to access an ATM and a market during the day to stock up for the remainder of the trip

DAY 5

Loita Hills – Maasai Village

Depart Lake Naivasha, making a short stop in Narok to do a spot of food shopping. Continue to Loita Hills (approximately 5–6 hours), stopping for lunch en route. Today's drive crosses the Great Rift Valley, Africa's immense and spectacular great divide, and takes you into the remote region of Loita Hills. This is the home of the traditional Maasai people. You will visit the Maasai, who are known for their vibrant red dress and elaborate jewellery, and gain an insight into the culture and ancient ways of this proud East African community. After setting up your tent, meet your Maasai hosts. A local elder will deliver a fascinating talk about the Maasai and their history and culture. You'll be shown around a traditional Maasai home and see where the resident cattle are kept. Showers, upgrades and WiFi are not available at tonight's bush camp.

DAY 6
Masai Mara National Reserve

Travel from Loita to Masai Mara (approximately 1–2 hours). The road is dusty when dry, and could be slippery and soft when wet, so the going may be slow. The Masai Mara is the quintessential African experience, with sparse open plains, dramatic skies and some of the world's most tremendous animals. After setting up camp, sit down to some lunch. Then it's time to jump in 4x4s and go for a game drive through the wilderness of the Mara. You campground tonight is located outside of the national reserve and has flush toilets and showers. There is an option to upgrade, depending on availability. WiFi is not available here however.

DAY 7
Masai Mara National Reserve

Venture into the Masai Mara National Reserve for a full day's game drive in 4x4s. You'll explore this diverse environment and most likely see a multitude of wildlife. An optional balloon ride over the Mara at sunrise is an unforgettable experience. If you have pre-booked this activity you will be picked up before dawn and driven to the launch site for a safety briefing from your pilot. Then you will glide through the dawn, sometimes at tree height, which provides amazing photo opportunities. Sometimes you will ascend, getting an overview of the enormity of the plains and of the early morning movements of the teeming herds. After landing, you'll be treated to a bush breakfast, then be returned to your campsite.

Masai Mara Game drive

Optional Activities

DAY 8
Nairobi

Today, we head back to Nairobi. Take a break from pitching tents and relax at a hotel. Take a refreshing dip in the pool and enjoy a cool drink or go for a walk around the town and meet some local people.

DAY 9

Kisii

Board your safari truck and travel west (approximately 8–9 hours). Today's destination is near the hilltop town of Kisii, which will be the last chance to stock up on supplies before heading into Tanzania. Crossing the incredibly scenic Great Rift Valley on your way to the tea-growing highlands is a fantastic introduction to the landscapes of Kenya. You will pass through the ancient homeland of the Maasai. Keep a look out for these tall, graceful tribesmen dressed in distinctive scarlet robes as they tend to their prized herds of cattle. The roads on the way are pretty rough, but there will be chances to stop and stretch your legs, including a local homestead lunch in the town of Kericho. The food for the lunch is grown and sourced locally, plus the lunch is a great way to learn from and interact with the women from the local village. You will be accommodated in either very simple shared rooms (with bedding provided) or in a camp which will be set up for the night. There is no WiFi available at the camp.

Meals Included

1 Breakfast, 1 Lunch, 1 Dinner

Accommodation

Basic Hotel (1 nt)

DAY 10

Lake Victoria

Travel towards the Kenya-Tanzania border and to the shores of Lake Victoria (approximately 7–8 hours). This is not only Africa's largest lake – it's the largest tropical lake in the world. Its shores are shared by Kenya, Tanzania and Uganda. There are plenty of activities to choose from while you're here. You might like to hire a bicycle and explore the lake's surrounds (you'll need to bring your own helmet if you want to wear one). Or you can visit an African marketplace for a chance to interact with the people of Musoma. You can also simply chill out lakeside with a cold drink. Make the most of the ATM and local market to stock up for your next three days of adventuring in the wilderness. You will camp on the shores of the lake tonight, at one of its least visited campgrounds, on the outskirts of a small town called Musoma. Depending on availability, you might be able to upgrade to a room. No WiFi is available, however.

Included Activities

Kisii - Soapstone carving cooperative

Optional Activities

Bike excursion around Musoma with local guide (approx 3 hours) - USD20

Camping (with facilities) (1 nt)

DAYS 11 Serengeti National Park

Travel from Lake Victoria to the gate of Serengeti National Park on a smooth road (approximately 3 hours) and enjoy a picnic lunch at the entrance to the park. Enter the Serengeti and take a game drive en route to your campsite. The wide open plains of the Serengeti – green after the rains, brown and burnt in the dry season – are home to thousands of hoofed animals and fierce predators. Flat and rolling, with long grass and acacia trees, these plains get their name from the Maasai word Siringet – 'The place where the land moves on forever'. Your campsite is right in the action, within the park itself, so listen out for the sounds of nocturnal animals as you drift off to sleep. The camp is basic with limited running water and no upgrades or WiFi available.

Our camp within the Serengeti National Park does not have a fence to separate the camp from the animals. This is quite the experience as animals such as buffalo and hyenas often come close to camp after sundown. On arrival at the camp your leader will give a detailed safety briefing on what is required to ensure the safety of the group.

Included Activities

Serengeti - Game drive

Meals Included

1 Breakfasts, 1 Lunches, 1 Dinner

Accommodation

Camping (with basic facilities) (1 nt)

DAYS 12 Serengeti National Park

Start the day with a game drive at dawn. You will head out while the animals are at their most active, then head back to camp for brunch at around 11 am. After spending the warmer part of the day relaxing, as the animals do, depart again at dusk for another adventure through the wild. You'll return in time for dinner. There's also the option of a balloon ride over the park today. If you have pre-booked this activity you will be picked up before dawn and driven to the launch site. After a safety briefing, you will glide through the dawn, sometimes at tree height, which provides amazing photo opportunities. Sometimes you will ascend, getting an overview of the enormity of the plains and the early morning movements of the teeming herds. After landing, you'll be treated to a five-star bush breakfast, then be returned to your camp.

Notes: The balloon ride is offered as a pre-booked service which will guarantee you a place. If you would rather wait and try to get a better price by booking this locally on the ground, you are welcome to, but keep in mind that this is a popular activity and places are limited.

Meals Included

1 Breakfasts, 1 Lunches, 1 Dinner

DAY 13 Ngorongoro Crater

Enjoy a game drive on your way out of the park today. After lunch you will enter the Ngorongoro Conservation

area. Your destination today is the rim of the crater (approximately 3 hours). Your campsite overlooks jagged volcanic peaks and rolling grasslands thousands of feet below – you can be sure that there are few campsites in the world with a better view than this! The campsite has flush toilets and hot showers available, but no WiFi or optional upgrades. It can get very cold on the crater rim, particularly during the winter months (June to August) when temperatures drop below zero. Even in the summer months it can be surprisingly chilly at night, so be sure to bring some warm clothes.

Notes: You will notice some Maasai villages in the region of the Ngorongoro crater offering a cultural experience. Intrepid recommends avoiding these villages, as they can impact negatively on the Maasai culture and travellers' perceptions of it by selling an artificial experience.

Included Activities

Serengeti - Game drive

Camping (with facilities) (1 nt)

DAY 14

Ngorongoro Crater/ Mto Wa Mbu

A gigantic, perfectly intact volcanic crater, Ngorongoro is home to some 30,000 animals. Among these are endangered black rhinos, lions, leopards, elephants, impalas, zebras and hippos. The crater floor offers excellent game viewing all year round, and the photo opportunities here are unrivalled. Later, join the local community for an guided afternoon stroll around the farming areas, milling machine and local homes before enjoying a traditional meal. Your campsite this evening is located in Mto wa Mbu with upgrades possible (subject to availability).

DAY 15

Nairobi

Set off early this morning (around 7.30 am), heading for the border with Kenya and then on to Nairobi (approximately 7–8 hours). On arrival in Nairobi, you'll be dropped at the finishing point hotel. No accommodation is provided for tonight, but this can be arranged when you book this trip. You can also choose to finish your trip in Arusha this morning.

Notes: It's important not to book any flights departing Nairobi earlier than 8 pm (or 11 am if you're departing Arusha).

FINISHING IN ARUSHA: If it is more convenient, we offer the option to finish the trip in Arusha on the final day rather than transferring back to Nairobi. The group will be travelling through Arusha at approximately 9am. You can either be dropped at the Impala Hotel in the centre of town or at Arusha airport. If flying out of Kilimanjaro airport, you will need to make your own way or arrange a transfer at additional cost.

We recommend you do not book flights out of Arusha airport until after 10.30am.

Accommodation

Camping (with basic facilities) (3 nights), Camping (with facilities) (8 nights), Hotel (2 nights), Cottage (1 night)

Accommodation on this trip is mainly in two-person canvas dome tents with camping mattresses supplied.

The type and variety of accommodation is determined by conditions on each of our routes. Each route is different - on some we use a mixture of campsites and wild camps; on others we also use hotels. In Africa it's not usually practical to camp when staying in towns and cities so we use hotel accommodation and eat out in local restaurants.

There may be the occasional night stop, when we stay in the grounds of a hotel or at a campsite which may also have cabins available. In this case there may be a choice of camping or upgrading to a room (at additional cost).

Keep in mind that if we are staying in dormitory accommodation, you may have to share with other passengers or be split into same sex rooms.

Campsites do have facilities but they usually aren't to the same standard you would find in western countries. For example the bathroom facilities can be very basic (the toilets may be a squat-style hole in the ground). There is rarely toilet paper provided and shower facilities can be as simple as a hose pipe spurting out cold water. Wild camps have no facilities at all. Not all campsites are as basic as this description - it's just to make sure there are no surprises for you..

Meals

Most meals are included while camping on our overland safaris.

For lunches not included, a budget of USD10 to USD15 per meal will be more than sufficient.

For dinners not included, your leader will normally recommend options and restaurants where you can safely try the local specialties of the region. Expect meals to cost between USD12 to USD25 for a main.

These are indicative prices only. If you are in a tight budget and are happy to try local food, you can eat cheaper than this.

By travelling on an Overland trip you have chosen a participation camping tour. This means that you will be helping your cook prepare meals for the group. You may also get the chance to help with the shopping.

Your cook (East Africa only) will come up with meal ideas and quantities needed for large groups. Participating in the camp is

usually done on a duty roster system with group of 5 or 6 people (depending on group size) having a different camp job each day. If you have any dietary requirements please tell us at the time of booking, and also remind your crew at your welcome meeting.

A typical camp breakfast might be toast with spreads, cereal, something hot such as eggs or pancakes, as well as tea and coffee. Lunch is almost always a sandwich with healthy salad and assorted fillings, sometimes with fruit to follow. There may be a chance on occasion to buy your lunch. Dinner might be a BBQ, rice dish or pasta dish and there is always the chance to try some African food such as ugali and stew.

One thing is sure - you definitely won't go hungry or lose weight on your safari! When you aren't camping you will have the freedom to decide where, what and with whom you eat.

Transport

Overland vehicle, 4 x4 Safari Vehicle

The trucks are purpose-built, self contained safari vehicles.

There are many long hours spent driving on rough roads on all African itineraries.

African conditions are extremely tough on vehicles. While we fastidiously maintain our vehicles at our workshops, you should not expect Africa to be your traditional touring experience. While it's certainly our aim to avoid them, it's important that you set off on your trip knowing that the occasional breakdown can happen and are best treated as part of the African adventure. Due to wet weather there may be times when we have to take an alternative route which will mean longer travel times.
